Spiral inserter w/Crimp	1	
Horizon 8 bin collator	2	A5, A4, A3
Guillotine	4	A1
Packing	4	Shrink wrapping machines
Transport		
1 Tonne Ute	1	
2 Tonne Van	2	
10 Tonne Truck	1	
Prepress		
Platemaker	2	70 Plates per hour
Studio services		Photo Manipulation
		High Resolution Scanning
		High Resolution Proofing
Mail House		
Bar-coding		Using AMAS credited software
Mail Merge		Variable data
Sorting		Presort letter facilities
Inserting		6 Station Envelope Inserter

- We offer full printing management solutions with all processes being completed on site.
- All manufacturing passes our quality control checks before being dispatched.
- Using the above equipment we ensure that 99% of our printed jobs are completed inhouse/on site.
- We currently, only outsource; UV finishing, Burst Binding and other specialised embellishments.
- Spot Productions is a privately owned Brisbane company which invest in the latest machinery and technology.
